

## TRAVEL INSURANCE

### (Example taken on 10/03/2019)

We would advise taking out a holiday insurance to cover any unforeseen circumstances as bookings are non-refundable and non-transferable. There are several companies that provide such a service.

We suggest you have a look on price comparison websites such as [comparethemarket.com](http://comparethemarket.com) to find the best value for your visit to us.
