### Local produce hampers.

We have teamed up with “Carmarthen Food” who bring local food producers together, and create the ability to order superb quality Welsh food online.

The majority are freshly made or picked to order ensuring maximum freshness. With low food miles and almost all reusable, returnable or recyclable packaging they are therefore good for the environment.

They have kindly created two packs for us.

Orders need to be in by Wednesday morning (before 5am) in order to give time for meat products to be prepared, eg, the black/white pudding will be made fresh.

**1. Carmarthenshire breakfast pack** for two people. All meat is bred, raised free range and butchered on an award-winning local farm. The eggs are from hens free to range on pastures and in orchards, milk is direct from the farm. Your jam and marmalade comes direct from the award winning maker. The bread comes from a small local bakery, the coffee is freshly ground, and tea is blended by hand locally. Finally, your butter is another award-winning product made in Carmarthenshire

**2. BBQ Pack** – All the red meat is bred, raised free range and butchered on an award-winning local farm. Your chutneys come direct from the award-winning maker. The bread and coleslaw are from a local bakery and deli. The chicken is from just over the border in Ceredigion but you will know why then you taste the quality!

Includes 4 traditional pork sausages, 2 beef burgers, two chicken thighs, 2 lamb koftas, pack of pork ribs, 250g tub of fresh coleslaw, 4 small rolls and two 42g pots of chutney.

**To order a hamper go to our website.**

**It's a drop-down option under park facilities and map tab.**

**IMPORTANT NOTE.** When ordering, under the “Special instructions” please state that you wish for the goods to be delivered to “South Wales Touring park, Llwynifan Farm, Llan-gennech, Llanelli, SA14 8AX” (Or you can pick them up from Carmarthen on Thursday after 5.30pm) We will then deliver the packs to your van as soon as they arrive on the park, on Saturday afternoon.
